Hola Amigos,

PAY IT FORWARD UPDATE...

Remember the **giant 32" Magnavox TV** that was donated to Amigos? It has found a home at Allen Temple United Methodist in Buford, GA, courtesy of **Pat Aaronson**, the lucky raffle winner. Here's Pat with some of our Amigos staff, presenting the giant TV to Allen Temple's pastor, Reverend Theresa Waters. For the entire, serendipitous **Pay it Forward story** click on the picture...

MEDICAL CRISIS IN NICARAGUA...

There is a national health strike in Nicaragua, creating a shortage of the basic medicines we need to keep our rural health clinics operating. We have a **[list of the items](#)** we need the most. Can you help us get them? Call (770) 614-9250 or email: tessa@amigosforchrist.org.

BODYPLEX PEDAL FOR THE POOR 2006...

This year we're teaming with the **City of Suwanee** and **Bodyplex** for the most exciting Pedal for the Poor yet! Amigos of all ages will ride for 1 hour through **Suwanee Town Center Park** on Saturday April 22nd. There will be free moonwalks, a rock-climbing wall, food, and lots more! All proceeds will be used to operate feeding centers in Nicaragua that provide daily meals to over 800 students. There are several new and exciting changes to the annual event, including team themes and participant online donation pages! **There are many ways you can get involved**—we need team leaders, participants, sponsors, and volunteers.
