INDEPENDENT AUDITORS' REPORT

Board of Directors
Amigos for Christ and Affiliate
Buford, Georgia

We have audited the accompanying consolidated financial statements of Amigos for Christ (AFC) and Affiliate (collectively referred to as the Organization), which comprise the consolidated statements of financial position as of December 31, 2014 and 2013, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Amigos for Christ and Affiliate
Buford, Georgia

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Amigos for Christ and Affiliate as of December 31, 2014 and 2013, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Consolidated Financial Statements

December 31, 2014 and 2013

1. NATURE OF ORGANIZATION:

Amigos for Christ (AFC) is a not-for-profit corporation established in 1999. As a not-for-profit corporation, AFC is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (Code). AFC is also classified as a publicly supported organization, which is not a private foundation as defined by Section 170(b) of the Code.

AFC supports Amigos por Cristo (AFC-NICA), an affiliated Nicaraguan entity, by providing funding, volunteers, and goods and services. The mission of AFC and AFC-NICA (collectively referred to as the Organization) is to serve God by providing opportunities for missionaries and impoverished families to grow through life-changing experiences. The Organization's vision is to be a model community development organization that facilitate water, health, education, economic, and infrastructure improvements in rural Nicaragua. The Organization accomplishes this mission and vision primarily through program services described below:

Water and sanitation - water is the first step to changing lives. We drill wells and build water and sanitation systems. Working alongside the community we are serving, we create an infrastructure to produce 100 gallons of water each day at every home. In addition, our modern bathroom model promotes sanitary living conditions by utilizing a flush-toilet and shower.

Health care - (a) preventative care: through modeling the behaviors of the healthiest families in each community, we create a plan for family hygiene that will decrease the instances of preventable illness such as kidney disease, anemia, and respiratory disease; (b) restorative care: working alongside the Nicaraguan Ministry of Health, we support the existing infrastructure to increase access to medical attention and prescribed medicines for the undeserved; (c) surgical care: working alongside the Nicaraguan Ministry of Health and local hospitals, we provide surgical services to those who are suffering and have no alternatives.

Education and nutrition - working alongside the community and the Nicaraguan Ministry of Education, we create an infrastructure to increase the percentage of children who complete primary and secondary school. We achieve this by building schools and feeding centers, offering scholarships, and encouraging extra-curricular activities, such as after-school and theater programs.

Economic development - for families within the communities we serve, we create and provide capital resources to increase their income level to a minimum of \$15 a day. We do this through agricultural loans, animal ownership and reproduction programs, and community-based cooperative businesses.

Missions outreach - contact with people who voluntarily want to be an instrument of God and serve Him by serving the most dispossessed. The Organization receives over 1,000 volunteers a year to support the execution of various projects.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The Organization maintains its accounts and prepares its consolidated financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States. The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The significant accounting policies followed are described below to enhance the usefulness of the consolidated financial statements to the reader.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the balances and financial activities of AFC and AFC-NICA. All significant intercompany transactions and balances have been eliminated from the consolidated financial statements.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of cash on hand, checking, savings, and money market accounts, with original maturities of three months or less. The amounts held at the bank may, at times, exceed federally insured deposit levels. The Organization has not experienced any losses in such accounts, and management believes it is not exposed to any significant credit risk on cash and cash equivalents.

RECEIVABLES

Receivables are reported net of any anticipated losses due to uncollectible accounts. The Organization's policy for determining when receivables are past due or delinquent is 30 days after invoicing. Uncollectible accounts are reported as additions to the allowance for bad debts when it is determined the amounts are uncollectible.

The allowance for doubtful accounts is maintained at a level which, in management's judgment, is adequate to absorb potential losses inherent in the receivable portfolio. The amount of the allowance is based on management's evaluation of the collectability of the receivable portfolio, including the nature of the portfolio, trends in historical loss experience, specific impaired accounts, and economic conditions. For the years ended December 31, 2014 and 2013, in management's opinion, no allowance for doubtful accounts is deemed necessary.

PLEDGE RECEIVABLE

When a donor has unconditionally promised to contribute funds to the Organization in future periods, the Organization recognizes a contribution receivable. Pledges expected to be collected with one year are recorded as support and a receivable at net realizable value. Pledges expected to be collected in future years are recorded as support and a receivable at the present value of the expected future cash flows. Discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Management estimates that all pledges will be received within one year and therefore, no discount was recorded for the year ended December 31, 2013. There was no outstanding pledge receivable for the year ended December 31, 2014. Conditional promises to give are not included as support until the conditions are substantially met.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

PROPERTY AND EQUIPMENT—NET

Property and equipment is stated at cost at date of acquisition or fair market value at date of donation in the case of gifts. Depreciation is computed on the straight-line method over the estimated useful lives of the related assets ranging from three to seven years. Purchases of property and equipment valued at \$1,000 or more are capitalized. The Organization elects to account for property and equipment in Nicaragua in accordance with the functional currency provisions of the *Foreign Currency Matters* topic of the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC). This has resulted in a translation adjustments of \$65,336 and \$115,002 in 2014 and 2013, respectively, to property and equipment with functional currencies that differ from the reporting currency.

CLASSES OF NET ASSETS

The consolidated financial statements report amounts by class of net assets.

Unrestricted net assets are currently available for operating purposes under the direction of the board, designated by the board for specific use, or resources invested in property and equipment.

Temporarily restricted net assets are contributed with donor stipulations for specific operating purposes or programs, with time restrictions, or not currently available for use until commitments regarding their use have been fulfilled.

All contributions are considered available for unrestricted use unless specifically restricted by the donor or subject to other legal restrictions.

SUPPORT, REVENUE, AND EXPENSES

Revenue is recognized when earned and support when contributions are made, which may be when cash is received, unconditional promises are made, or ownership of other assets is transferred to the Organization. Noncash gifts are recorded at their estimated fair market value on the date of donation. Mission trip monies collected in advance of the trip have been reported as agency funds in the accompanying statements of financial position.

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated amounts. Gifts are reported as unrestricted if they are spent in the same period. When a stipulated time restriction ends or purpose restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as net assets released from restrictions.

AMIGOS FOR CHRIST and AFFILIATE

Notes to Consolidated Financial Statements

December 31, 2014 and 2013

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

SUPPORT, REVENUE, AND EXPENSES, continued

The Organization reports gifts of property and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash and other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service.

Expenses are recorded when incurred in accordance with the accrual basis of accounting. The costs of providing the program services and supporting activities of the Organization have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

DONATED GOODS AND SERVICES

Donated goods and services are recorded at the fair market value at the time of contribution. Donated services are reported as contributions if the services (a) create or enhance non-financial assets, or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Donated services meeting the criteria for recognition in the consolidated financial statements totaled \$167,210 and \$352,813 for the years ended December 31, 2014 and 2013, respectively.

Numerous volunteers donate significant amounts of time and perform a variety of tasks, assisting the Organization in its charitable programs. Although no amounts have been reflected in the consolidated financial statements because the criteria for recognition of such efforts under generally accepted accounting principles have not been satisfied, management estimates the fair value of those services to be approximately \$468,488 and \$408,000 for the years ended December 31, 2014 and 2013, respectively.

FOREIGN OPERATIONS

In connection with its ministry, AFC supports AFC-NICA, an affiliated Nicaraguan entity, by providing funding, volunteers, and goods and services. As of December 31, 2014 and 2013, current assets in Nicaragua, including cash and cash equivalents, receivables, and prepaid expenses totaled \$44,744 and \$114,861, respectively; property and equipment, net of accumulated depreciation, amounted to \$1,492,922 and \$1,584,392, respectively; and liabilities in Nicaragua were \$94,601 and \$134,014, respectively. Total support and revenue received in Nicaragua, before any eliminations, amounted to \$1,481,055 during 2014 and \$1,245,612 during 2013. Account balances relating to Nicaraguan operations are reflected in the consolidated financial statements in United States dollars.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

UNCERTAIN TAX POSITIONS

The financial statement effects of a tax position taken or expected to be taken are recognized in the consolidated financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the consolidated statements of activities. As of December 31, 2014 and 2013, the Organization had no uncertain tax positions that qualify for recognition or disclosure in the consolidated financial statements.

AFC files information tax returns in the U.S. and various state jurisdictions. AFC is generally no longer subject to U.S. federal and state income tax examinations by tax authorities for years before 2011.

3. RECEIVABLES:

Receivables consist of amounts due from communities, advances to employees, and other receivables. For the years ended December 31, 2014 and 2013, in management's opinion, receivables are deemed fully collectible and therefore, no allowance for doubtful accounts is deemed necessary.

4. PLEDGE RECEIVABLE:

Pledge receivable consists of one unconditional pledge, deemed fully collectible by management, and is due in less than one year and therefore, no discount has been recorded as of December 31, 2013. There was no outstanding pledge receivable for the year ended December 31, 2014.
