FIRST QUARTER HIGHLIGHTS

JANUARY – MARCH 2026

AMIGOS FAMILY,

Wow! 2026 is truly off to an amazing start. In just a few short months, you have made so much possible:

From new communities beginning their Plan 7 journey to students stepping into the first-ever 7th grade at the Amigos Academy, 2026 is already filled with milestones, hope, and progress. Across communities, classrooms, farms, and water projects, transformation continues to shine bright.

Let's celebrate, *JUNTOS*, some of the moments that have marked the beginning of 2026.

JANUARY

● SERVING JUNTOS

We welcomed our first mission trips of the year! **We are looking forward to hosting many more** volunteers throughout 2026.

● PLAN 7 IN 6 NEW COMMUNITIES

670 families across six new communities joined our **Community Development model**, Plan 7, to embark on a journey of life transformation through leadership, water & sanitation, health, education, and economic development that will impact generations to come.

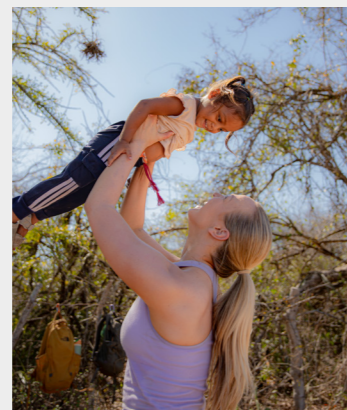

● CLEAN WATER FOR MORE FAMILIES

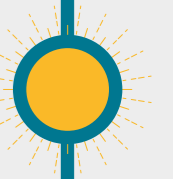

The Water for Chinandega team is walking alongside nine new communities as **they begin their journey toward receiving clean water in 2026!**

● SURGICAL MISSION TRIPS

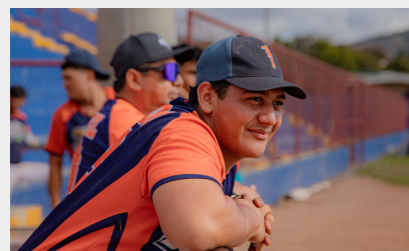

Medical professionals from across the US partnered with a local hospital to do **75 life changing orthopedic, general, urology and spine surgeries.**

● BASEBALL ACADEMY HEADS TO THE RBI FINALS

After a strong season, the team advanced to the RBI tournament finals! They will travel to Miami to proudly represent Nicaragua on an international stage—an exciting milestone for these young athletes and their hard work. Let's cheer them on!

● BREAKING GROUND FOR WATER

112 families from the community of Tintal-Husipante gathered to celebrate the start of their new water system construction. They are one step closer to the day when clean water flows into every home!

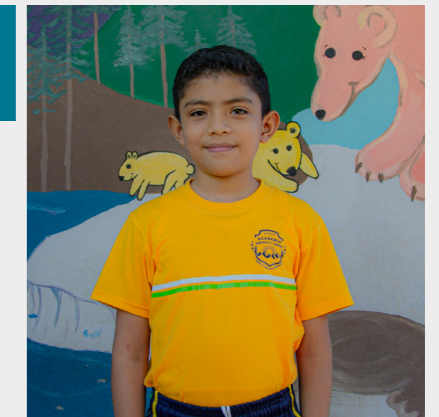

● FIRST DAY OF SCHOOL AT THE AMIGOS ACADEMY

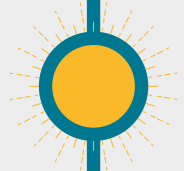

250 students kicked off the 2026 school year with backpacks, smiles, **hope and big dreams** – especially our inaugural class of 7th graders! These students who completed primary school are now continuing into secondary education, continuing the path of transformation for the next generation of leaders.

● TEAM RETREAT

The entire Amigos team gathered under the Amigos Rancho - for our annual spiritual retreat. **Our theme for 2026 is "As it Is In Heaven", inspired by the Lord's Prayer.** We reflected on how we truly can live life on Earth as it is in Heaven, through continued transformation and lives dedicated to service.

MARCH

● RUNJUNTOS CONQUERS OMETEPE

Amigos team members and amigos ran and biked 15k, 25K, 50K, and even 100K to raise awareness and support for rural water systems in Nicaragua by climbing volcanoes on the island of Ometepe. Our Amigos Family ran and biked a total of 189 kilometers!

● CELEBRATING HARVEST AND OPPORTUNITY

Meylin is one of the many rural farmers we work closely with. This quarter, they harvested over 15,000 papayas, and thanks to this success, 396 people now have stable jobs in their community. It's exciting to see how growth creates opportunities and how these transform lives!

● CELEBRATING CLEAN WATER

The water system in Villa Francia was completed and inaugurated, bringing clean water directly to 136 homes and celebrating a day the community will never forget! And without skipping a beat, the same week, drilling began for the well in Aquespalapa, moving another community closer to their dream of safe water.

● THE AMIGOS ACADEMY CONTINUES TO GROW

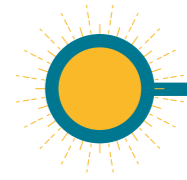

Thanks to the help of the Amigos Family, the 2nd floor of the new 7th & 8th Grade buildings at the Amigos Academy was completed!

These first few months of 2026

have already brought incredible progress and hope for what's to come.

This is only the beginning. *JUNTOS*, we will continue to walk alongside communities, families and students to light their paths to life transformation. You are fueling all of this and we are so grateful.

THANK YOU!
